	2 talking mics		✓

¹ Clarification regarding items 1 and 3a: if venue is unable to provide an acoustic piano, a Nord Stage electric keyboard or equivalent will be requested by artist. If either option is available, both will be used as per stage plot.

² Clarification regarding item 9: in case venue is unable to provide a conga or tumba drum, artist will provide a Pearl Travel Conga.

If the venue is unable to provide any other item from the list of equipment above, please contact AfuriKo so we can coordinate other arrangements. Thank you in advance for your help!
